

ALEXIS ADRIAN CABRERA PEREIRA

alexis.adrianc@gmail.com | +598 93328535 | 1545 Uruguay Av., Montevideo, Uruguay

SUMMARY

Software Developer with eight years of experience in designing and developing user interfaces, testing and debugging. Dedicated to driving innovation with the ability to follow industry and technological trends, and facilitating early adoption of innovations. I like being involved in projects that require me to work outside of my comfort and knowledge, because continuing to learn new development languages and techniques is important to me and to the success of your organization.
